LOMBARDY KARTING ASSOCIATION CODE OF CONDUCT

Lombardy Raceway Park personnel overseeing testing sessions have the final word regarding all on-track activities. Drivers, crews and spectators are to follow their instructions. Anyone failing to do so will be asked to leave the property immediately.

Practice and testing is intended for drivers to test their skills against the track. Driving wheel to wheel, racing other drivers, aggressive passing and drivers competing with other drivers during practice or testing sessions is not allowed. Such driving is too dangerous for open practice and testing sessions.

No karts will be driven in the paddock area. All karts must be pushed back and forth through the tech garage to pit lane. This is an important safety requirement with cars and trucks entering and exiting the pit area.

All pits must have a fire extinguisher, with current inspection tag. The extinguisher must be in sight and easily accessible.

No one under 18 is permitted to operate a scooter, moped, motorbike, quad, golf kart, etc. at Lombardy Raceway Park.

The only karts permitted to operate at Lombardy Raceway Park are defined as either sprint or shifter-class karts. Fun karts, mini karts, lay down road race karts, cage karts, are not allowed to run at Lombardy Raceway Park.

All drivers must wear proper driving gear. Safety items include a scuff resistant suit that is designed for karting, gloves, and full face helmets that has a Snell M2000 or later sticker.

All karts and safety equipment must be inspected and pre-approved by the technical director or an authorized track personnel before they are allowed on the track.

All karts must display seasonal inspection tag at all times. Karts will not be allowed on the track if the tag is not visible.

No one other than the driver and Lombardy Raceway Park authorized staff are permitted beyond pit lane when a session is under green or yellow flag conditions.

Drivers under the age of 18 must have a parent or guardian present at all times.

All drivers under the age of 18 must have an annual minor waiver on file with Lombardy Karting Association signed by a parent or legal guardian.

Spectators, crew and/or drivers are not allowed on the track without signing the waiver and obtaining a wristband. Track personnel will be verifying that anyone on the track is wearing a bracelet.

All drivers and crews are expected to leave their pit area clean of trash including zip ties, cigarette butts, bottles, cans, etc.

ALL used tires must be taken home, under no circumstances may tires be disposed of at the track.

Alcohol cannot be consumed by anyone at the track at any time.

All pets must be on a leash and stay within your pit area. **NO** pets are allowed on pit lane, scale or grid area.

Lombardy Karting Inc. reserves the right to revoke a person(s) membership and any or all privileges associated with being a member at anytime as a result of any disciplinary actions. At the time of membership and privileges being revoked, there will not be any reimbursement of monies.
